**REMARKS**

Applicants present the amendments set forth above in an attempt to move the case forward. Presently claims in the present case stand rejected under both 35 U.S.C. § 102(b) and 35 U.S.C. § 103(a). Applicants in the Response presented arguments that the claims are in fact allowable under both 35 U.S.C. § 102(b) and 35 U.S.C. § 103(a). Because those arguments are valid for the broader claims, those arguments are more strongly valid for the claims as narrowed by amendment in this Supplement Response. Applicants therefore reiterate and include by reference as though fully set forth herein all the arguments presented in the Response.

**CONCLUSION**

Applicants respectfully submit that, in view of the present amendments and in view of Applicants' arguments in the Response, all the claims in the present case are allowable, the objections and rejections in the Office Action should be withdrawn, and the claims should be allowed.

The Commissioner is hereby authorized to charge or credit Deposit Account No. 09-0447 for any fees required or overpaid.
